Dear Arizona Alumni and Friends,

Join us on an eight-night journey to discover everyday life in Cuba’s colonial cities, rural villages and colonial capital of Havana. Through expert-led excursions and meaningful encounters with locals, we’ll introduce you to the unique history, culture and heritage of this fascinating nation. Uncover Cuba’s heart and soul alongside the island’s greatest asset: its people. These entrepreneurs, students, community leaders, artists and dreamers are ordinary Cubans doing extraordinary things. Through authentic, in-depth cultural exchanges, learn about their personal challenges, journeys and insights into Cuba’s rapidly changing society.

Our long-term relationships with guides and locals combined with carefully planned excursions take you beyond the average tour experience. Plus, our small groups are limited to 28 travelers, giving you a more intimate and enriching journey, so we encourage you to make your reservation today!

Warm regards from Wildcat Country,
