The story of trade begins far more than a tale of commerce. It begins in the heart of a place. It begins in the context of a community. It begins with the people who call this area home. You may not know these people by name, but you probably know the stories they have to tell. Perhaps you, too, have seen something of the same world through the eyes of the traders who have come before you. Perhaps you have heard the same stories. You may even have felt the same connection.

The Gil Eanes is your vessel to the past. It is a vessel of understanding and exploration. It is a vessel of discovery. It is a vessel of possibility.

The incomparable value of your journey lies in the personalized care you receive from your Travel Director and the knowledge you gain from expert guides and lecturers who call this area home. The Gil Eanes is your vessel to the past.

The journey begins with our commitment to delivering authentic experiences for you. Our journey is more than just a trip. It is a journey of discovery. It is a journey of self-discovery. It is a journey of connection.
