Dear Arizona Alumni and Friends,

Join us on an exciting journey through Basque Country in Spain and France. This fascinating region has its own language and culture, and the Basque people have a zest for life that is second to none!

We’ll stay in San Sebastián, the city that gave the world pintxos, the Basque version of tapas. Bordered to the north by the Bay of Biscay and by rolling hills to the south, San Sebastian makes a beautiful home for our stay. Each day, we’ll explore different Basque towns in both Spain and France, taking in the shared culture of these two regions.

This trip combines the security, ease and value of group travel with opportunities for independent exploration. Enjoy the camaraderie of traveling with a group and, during your free time, feel the thrill of making your own discoveries.

Warm regards from Woldcountry,

Dear Arizona Alumni and Friends,

Join us on an exciting journey through Basque Country in Spain and France. This fascinating region has its own language and culture, and the Basque people have a zest for life that is second to none!

We’ll stay in San Sebastián, the city that gave the world pintxos, the Basque version of tapas. Bordered to the north by the Bay of Biscay and to rolling hills to the south, San Sebastian makes a beautiful home for our stay. Each day, we’ll explore different Basque towns in both Spain and France, taking in the shared culture of these two regions.

This trip combines the security, ease and value of group travel with opportunities for independent exploration. Enjoy the camaraderie of traveling with a group and, during your free time, feel the thrill of making your own discoveries.

Warm regards from Wildcat Country,
Lisa Valentino
