Polar Bears & Beluga Whales

Animals of the Arctic | Summer Expedition
POLAR BEARS & BELUGA WHALES

With beluga whales filling the bay and polar bears roaming the shoreline, summer is a lovely time to visit Churchill to experience this amazing wildlife spectacle.

Head north and discover the beauty and wildness of Churchill, Manitoba. This small town on the banks of the Hudson Bay is known for hosting polar bears in the fall. During summer, visitors have the opportunity to possibly spot polar bears along the local shores—swimming and walking around the rocks and wildflowers—before they return to the pack ice when it forms in early winter. Summertime is also when the bears share the area with more than 60,000 beluga whales—who come to feed, mate, and give birth in the shallow waters—as well as a wide variety of other wildlife. Come and see this annual exhibition that can only be found here in the Canadian north, and meet the local people who call it home. Pioneering spirits and welcoming smiles are waiting for you.

Dear Fellow Traveler,

Join fellow travelers for a special opportunity to witness the diverse wildlife and pioneer spirit of the Canadian Arctic in summer.

During this seven-day journey to remote Churchill, Manitoba, you may have the opportunity to observe polar bears interact and play along the shore of the Hudson Bay. During outings in Zodiac boats, watch as beluga whales, seals, and a multitude of other wildlife enjoy the brief arctic summer. Back on land, explore the plants and animals who live in this vast arctic wilderness. Meet and greet sled dogs and their experienced handler, then enjoy the thrill of a dog mushing ride along local trails.

The expert guidance of an Orbridge Expedition Leader and a local guide, as well as exclusive educational experiences—
including presentations from Assiniboine Park Zoo and Churchill’s Northern Studies Centre—distinguish this program.

Your Guide(s):

Lynette Noble — Orbridge Expedition Leader

Hailing originally from Vermont, Lynette’s passion for the outdoors began at an early age on her family’s dairy farm. A move to Montana and a degree in Ecology enabled her to continue to nurture her love of exploration throughout the western U.S. Since that time, she has had the good fortune to study grizzly and black bears, pine martens, coyotes, foxes and wolves in various research projects in some of the West’s most remote areas; as well as to educate visitors in the complexity of mountain, desert, sub-arctic and coastal ecosystems. Lynette enjoys all manner of outdoor activity and feels very fortunate to have the opportunity to share her enthusiasm for wild places with intrepid travelers who share her love of adventure.
Your Guide(s):

Denise Newberry – Orbridge Expedition Leader

Denise brings a diverse background with a B.S. in Education: teaching biology and movement science, along with an M.S. from Colorado State University in Rangeland Ecosystem Science and Natural Resource Management. Recently retired, she spent her 30-plus-year career with the National Park Service, National Forest Service, and the Colorado Division of Wildlife. She wore many hats while living, working, and playing in America’s National Parks as a Park Ranger, including Emergency Medical Technician, Backcountry interpreter and Water Rights Specialist.

As a Forester and Recreation Specialist with the National Forest Service, Denise’s passion for education and interpretation of managing our forests, watersheds, wildlife habitat, and air quality provided safe and educational places for people to recreate.

As a state water rights specialist for the Colorado Division of Wildlife, she worked closely with private landowners in the management and education associated with water rights and Colorado's remarkable wildlife abundance. From Alaska to DC and all the beautiful places in between, her contagious curiosity and devotion to deep observation of our natural world always permeates in each and every place. She brings that love with her and looks forward to sharing it with each and every Orbridge traveler.

Denise and her husband, Doug, enjoy living the "cabin" life off the grid and learning about bee hives at 9,500 feet. Hobbies include traveling, hiking, snowshoeing, birding, photography, knitting, golden retrievers, linolium block carving, graphic design, biking, and sea kayaking.
Your Guide(s):
