Millions of years of uplift and erosion have left a spectacular, monumental imprint across America’s Southwest plateau.

Activity Level:

Moderate

The majority of the program’s activities will take place outdoors and a fair amount of walking on varying terrain is to be expected. Many of the parks have dirt trails, but they are usually fairly smooth for walking, some do have paved pathways and boardwalks. It is our expectation that guests on this program are able to walk up and down a flight of stairs, and get in and out of a motor coach without assistance. If you are able to walk a mile at a moderate pace, you will be able to enjoy all of the excursions. Also keep in mind that you will experience varying altitudes, rising up to 9,600 feet, to which you may not be accustomed.
