A voyage aboard the Exclusively Chartered Small Ship
Five-Star Le Soléal

July 29 to August 5, 2020
Dear Alumni and Friends:

A land of pure, epic natural beauty, Alaska is the last great American frontier. Home to the highest peak in North America (Denali), the largest glacier in North America (Bering), king salmon that exceed 70 pounds and humpback whales 50 feet long, the 49th state defies hyperbole. Cruise between near vertical rock walls and cobalt-blue icebergs, discover snowcapped peaks, steep fjords and plunging waterfalls and prepare to be enchanted by a staggering array of wildlife on this exceptional cruise of Alaska’s glaciers and the Inside Passage.

This specially designed itinerary uniquely combines Five-Star accommodations with exploration-style travel as you cruise from Vancouver, British Columbia, to Juneau, Alaska, under the lingering glow of the long days of summer.

Exclusively chartered for this voyage, the Five-Star small ship Le Soléal is ideal for traversing narrow fjords and isolated coves inaccessible to larger ships while carefully navigating through the marine ecosystem. Experience the unforgettable scenery of southeastern Alaska and Northwestern Pacific Canada and thrilling wildlife up close, from observation decks, during small boat excursions and from the comfort of elegantly appointed Suites and Staterooms, most with a private balcony.

Alaska’s picture-perfect small towns nudge up against a dramatic wilderness where grizzly bears gorge on salmon plucked from clear waters and moose and caribou irreverently preen along the roadside. Call at colorful Ketchikan, rich in Alaskan art and tradition; off-the-beaten-path Petersburg, the region’s “Little Norway”; and historic Sitka, a cultural fusion of Tlingit and Russian heritage. Cruise majestic Misty Fjords National Monument and Tracy Arm Fjord, a seascape of mesmerizing waterfalls and serrated peaks, to the face of the monumental Dawes and South Sawyer Glaciers. Travel through the serene Inside Passage and into remote inlets in search of harbor seals, porpoises, sea lions and sea otters.

Begin your voyage in cosmopolitan Vancouver for a Pre-Program Option to see British Columbia’s most vibrant city. Complement your cruise with the Denali Post-Program Option, where you will travel deep into Alaska’s Interior to explore Denali National Park, see the tallest peak in North America and visit the former frontier trading post of Fairbanks.

Experience the best of Alaska’s legendary landscapes. This popular program is an excellent value with the finest accommodations and the ideal itinerary, so book now while space and Early Booking Savings are available.

Sincerely,

Exploring the Inside Passage

Shaped by the Ice Age and sheltered from the Pacific Ocean by one thousand miles of islands lining North America’s Pacific coast, the Inside Passage distills untamed Alaska with magnificent glaciers, snowcapped mountains and pristine wilderness. Stand on the deck of our Five-Star small ship as you cruise protected cliff-rimmed fjords and inlets of serene waters. Watch for wildlife—bald eagles, harbor seals, humpback whales and brown bears. Experience the thunderous calving of the Dawes and South Sawyer Glaciers, venture into narrow Tracy Arm and Endicott Arm and explore the Passage’s hidden treasure—seldom-visited Elfin Cove. Along the way, encounter the indigenous culture of the Tlingit, onion-domed churches built by Russian fur traders, quirky fishing villages, trading outposts settled by American pioneers and gold rush settlements built over a century ago.

**Vancouver, British Columbia**

Dynamic Vancouver, British Columbia’s largest city, is the cultural and financial heart of Canada’s Pacific Northwest.

**Cruising the Inside Passage**

Aboard our Five-Star ship, experience the Inside Passage, one of the most scenic waterways in the world, cruising amid countless islands, thickly blanketed forests, hidden bays and coves, sandy beaches and lofty waterfalls flowing from mountain cliffs. Be on deck to watch for cavorting sea lions and breaching orcas in the deep waters and look for Sitka black-tailed deer, mink and river otters roaming the shores and mountainsides.

**Misty Fjords National Monument, Alaska**

Enjoy the rare opportunity to cruise the glacier-sculpted inlets of Misty Fjords, an American treasure harboring awe-inspiring scenery and wildlife. Observe the running streams flowing through stands of evergreens, merging into mighty waterfalls plunging down 3000-foot-tall, near-vertical, granite-faced cliffs (weather and sea conditions permitting).
**Ketchikan**
Backed by the forested slopes of Deer Mountain, the fishing town of Ketchikan is the “salmon capital of the world.” Stroll the gold rush-era boardwalks of Creek Street and watch spawning salmon swimming upstream through the middle of town along the well-known “Salmon Ladder.” A rich profusion of Haida, Tlingit and Tsimshian arts harmonize the town’s cultural facets. See the art of Potlatch Totem Park, where a master craftsman demonstrates the ancient technique of hand-carving a totem pole.

**LeConte Bay**
Cruise to the mouth of LeConte Bay, where the protected waters form a natural refuge for harbor seals from predators. From aboard smaller expedition vessels, watch for mother seals and pups sunning themselves on icebergs. Listen for white thunder as LeConte Glacier—North America’s southernmost tidewater glacier—frequently calves icebergs.

**Petersburg**
Known as “the town that fish built” and settled along the peaceful Wrangell Narrows by late-19th-century Norwegian fishermen, the authentic village of Petersburg is filled with the traditional rosemåling design on its walkways, storefronts and architecture. Visit Main Street and the fascinating Clausen Museum, which forms a repository for the collective memory of the town’s former residents. At the historic Sons of Norway Hall, discover Norwegian folkloric traditions during a specially arranged song and dance presentation. Enjoy the exceptional vistas of Frederick Sound, summer home to a significant humpback whale population.

**Sitka**
Observe indigenous brown bears catching wild salmon. The capital of Russian America until 1867, Sitka is one of Alaska’s most alluring and historic towns.
Sitka
Nestled on the edge of Baranof Island, Sitka penetrates one of Alaska’s most stunning regions and proudly wears its indigenous and Russian history. The town flourished as a Russian fur trading hub until its 1867 transfer to the United States.

Visit the Alaska Raptor Center, Alaska’s foremost bald eagle habitat, where more than 100 injured eagles are rehabilitated and released each year. Explore the Tlingit culture while conversing with local artisans in Sitka National Historical Park, where trails are lined with totem poles, a lasting tribute to an ancient artform. Marvel at the collection of icons in St. Michael’s Cathedral, North America’s first Russian Orthodox church.

Point Adolphus/Elfin Cove
From the observation deck, search for humpback whales and orcas feeding in the nutrient-rich waters of Point Adolphus while cruising through Icy Strait, where tidal waters teem with marine life. Watch for sea lions and bald eagles drawn by the abundance of salmon. Go ashore to explore pristine Chichagof Island and visit the small fishing community of Elfin Cove. Situated across from Glacier Bay National Park and with only 20 permanent residents, this hamlet comes alive in summer, attracting fishing enthusiasts.

Tracy Arm Fjord/
South Sawyer Glacier/
Endicott Arm Fjord/Dawes Glacier
Cruise between near vertical rock walls into the deep and narrow fjord of Tracy Arm, where waterfalls cascade from bluffs, forests fade to sheer rock and icebergs glint in the sunlight. At the remote end of Tracy Arm, listen to ice calving off the soaring South Sawyer Glacier. Venture to the edge of Dawes Glacier aboard smaller expedition vessels in the Endicott Arm Fjord.

Juneau
The Alaskan state capital, accessible only by air or sea, Juneau is where The Call of the Wild author Jack London set forth to join the Klondike Gold Rush in 1897.
