ANTARCTICA DISCOVERY

Join us on an incredible journey through the vast beauty of the White Continent, featuring pristine polar wilderness, abundant wildlife, and spectacular scenery. The epitome of adventure, Antarctica is both a region in transformation—where effects of global climate change are noted—as well as a destination that transforms guests. Here in the remote, visitors find inspiration and perspective among elemental forces of ice, snow, water, and rock and become a part of the story of discovery.

Dear Fellow Traveler,

Please join us for a once-in-a-lifetime adventure to experience the boundless beauty and pristine vastness of Antarctica. This remote continent and its precarious waterways have hosted some of the most courageous explorers in history, and have been the scenes of both triumph and tragedy since Captain Cook first sailed the region in 1773.

Embark from Ushuaia, Argentina, and cruise through the Drake Passage to the South Shetland Islands amid the Antarctic Peninsula—exploring the dramatic landscapes and remarkable wildlife that call this continent home. Trek through penguin rookeries, observe vast flocks of seabirds, learn about Antarctic ice conditions, and discover the sites of both past and present scientific expeditions.

Program Highlights:

- Explore the South Shetland Islands and the Antarctic Peninsula, a beautiful island chain filled with an impressive variety of wildlife.

- Cruise aboard the perfect vessel for exploration. *Ocean Victory* is an Ice Class 1A super (equivalent to Polar Class 6), featuring 83% staterooms with balconies and a unique X-Bow ship design. The inverted bow quickens the Drake Passage crossing as it slices through waves, reducing rolling by 80%—and helping to prevent possible seasickness. This proven technology produces very low levels of noise and vibration.

- Enjoy the company and keen insights of expert expedition guides, scientists, and lecturers throughout the journey.

- Explore at your own pace, with numerous passenger landings and discoveries throughout the voyage, aided by a nimble fleet of Zodiacs and knowledgeable guides.

- Join the optional Sea Kayaking excursion ($250 per person; limited availability). This is a one-time opportunity to explore the outstanding grandeur and magical beauty of the polar regions using a kayak. Participants must have prior kayaking experience.

- Take advantage of the ship’s impressive amenities, including a heated infinity swimming pool, two hot tubs, spa, gym, lounges, outdoor bar, and interactive dining experience.

Itinerary:

Day 1: En Route from U.S.†
Saturday, January 16, 2021

Day 2: Arrive Ushuaia, Argentina
Sunday, January 17, 2021
Welcome to Argentina, where you'll spend one night in the world’s southernmost city before embarkation. Unwind in a privileged location located within the Cerro Alarkén Natural Reserve and delight in stunning panoramic views of natural beauty. If time permits, explore nearby Arroyo Grande Meadows or the Rio Chico Waterfall.
*Overnight: Arakur Ushuaia Resort & Spa (R)*

Day 3: Ushuaia – Embarkation
Monday, January 18, 2021
Explore Ushuaia or the nearby nature parks before joining the group transfer this afternoon to board the modern and luxurious vessel, *Ocean Victory*, for this expedition. Settle into your stateroom, and then get acquainted with fellow travelers as you sail through the Beagle Channel. Step out onto the viewing decks to embrace the passing scenery, and keep an eye out for immense icebergs and marine mammal activity.
*Overnight: Ocean Victory (B,D)*

Days 4-5: Drake Passage
Tuesday, January 19, 2021 - Wednesday, January 20, 2021
Through today and tomorrow, sail south across the Drake Passage—named for 16th-century English privateer, Sir Francis Drake. This waterway marks the convergence of the Atlantic, Pacific, and Southern Oceans and is the latter's biological boundary. Seabirds, such as the albatross, are commonly spotted during this passage, so be sure to have a camera available while on the viewing decks. Engage with fellow like-minded travelers while learning about Antarctica with informative lectures and safety briefings. Gear up for fun and adventure to come by receiving jackets and boots with the group and sharing a welcome cocktail with the captain.
*Overnight: Ocean Victory (B,L,D daily)*

Days 6-9: South Shetland Islands / Antarctic Peninsula
Thursday, January 21, 2021 - Sunday, January 24, 2021
Your experienced captain will seek the most opportune locations to spot marine life, dependent on weather and ice conditions. Longer daylight hours offer extended
opportunities for wildlife viewing and Zodiac excursions. The water’s cold environment is ideal for krill, whales, seals and a plethora of penguin colonies—from gentoo and chinstrap, to Adélie—who nest on land nearby. Glaciers and icebergs thousands of years old dot the landscape and provide an icy timeline of the area’s history.

Deception Island, located at the northernmost point of the South Shetland Islands, is home to the flooded caldera of an active volcano, which severely damaged research stations in 1967 and 1969. Remains of abandoned whaling buildings and tanks still can be seen. Throughout the voyage, you also may see evidence of past and present polar exploration and scientific expeditions, including modern stations operated by several nations. Learn about the explorers, along with the challenges and the victories that make their stories so fascinating.

Throughout your stay on the peninsula, daily excursions ashore with the ship's expedition team and scientists provide the opportunity to explore the dramatic polar scenery to see millennia-old ice shelves, sheer cliff faces, and permanent snow cover. Plentiful penguin colonies will provide charming and memorable encounters. Optional sea kayaking choices, plus a variety of other activities, provide opportunities to discover all that this remarkable area has to offer at a pace you choose. For the ultra-adventurous, brave the frigid waters during an optional polar plunge—a true rite of passage and a bucket-list item for any Antarctic expedition.

At each day’s end, perhaps enjoy a drink in the lounge with fellow guests before adjourning to the ship’s dining room for a hearty and delicious dinner. Take advantage of the long days of Antarctica’s summer recapping memorable moments with shipmates, soaking in the top deck hot tub, or swimming in the infinity pool.

*Overnight: Ocean Victory (B,L,D daily)*

**Days 10-11: Drake Passage**

Monday, January 25, 2021 - Tuesday, January 26, 2021

The journey returns north-bound back through the Drake Passage. Join your travel companions indoors to enjoy educational presentations and lectures, lively accounts of expedition experiences or the ship’s recreational facilities. Take advantage of the last days at sea to capture the panoramic beauty of the Southern Ocean from the *Ocean Victory’s* outdoor viewing areas.

Passengers who are not fit for long trips for any reason, including disability, heart or other health conditions, are advised not to join the tour, as it would entail an unreasonable risk to your enjoyment, health and safety of you and others on the expedition. All guests are required
to sign a medical information sheet before boarding, to inform the medical personnel on board about any illnesses, allergies or conditions to be kept in mind during the voyage.

Due to the remote location of this tour, medical evacuation insurance is required with a minimum coverage of $200,000.
