WHY GROUP TRAVEL INSURANCE IS IMPORTANT

Over the years, many University of Arizona Alumni Association travelers have asked, “Why buy group travel insurance when I already have insurance?” It’s a valid question and one with a straightforward answer: to protect the investment you and your companion travelers are making and to provide invaluable peace of mind.

Most of our travelers carry health insurance, but this does not cover trip cancellation, trip interruption, lost baggage or travel delays. Also, some health insurance plans have limited coverage when you travel away from your home area within the U.S. and, often, no coverage when you travel overseas. For example, Medicare does not provide coverage outside of the U.S.

When travelers cancel for any reason, travel companies generally issue a voucher good for future travel exclusively with them — they do not give cash refunds. You may prefer to receive cash, not a voucher, especially for group travel. Insurance protects your travel investment.

We offer an excellent travel insurance plan through Travel Insurance Services, including trip cancellation and trip interruption, as an option for our travelers. We’ve found that travelers need good travel insurance and want to be protected from unforeseen expenses.

YOUR TRIP IS PRICELESS.

Protect your investment and yourself with a travel protection plan.

Plans include coverage for:
- Trip Cancellation
- Trip Interruption
- Travel Delay
- Baggage Loss
- Accident and Sickness Medical Expense
- Emergency Medical Evacuation
- 24/7 International Travel Assistance
- And more!

FOR RESERVATIONS, OR TO REQUEST A BROCHURE OR OUR PASSPORT 2021, VISIT ARIZONAALUMNI.COM/TRAVEL.

Dates, schedules, program details, hosts and prices in this catalog are presented in good faith based on information available and in force on Sept. 15, 2020, and are subject to change. Prices are based on per person/double occupancy. A limited number of single occupancies are available. We utilize outstanding tour operators specializing in alumni group travel and often share departure dates with peer academic institutions and like-minded travelers.

ELIGIBILITY

We invite all Arizona alumni and their families and friends to participate in the Arizona Alumni Travel program offerings and encourage all of our travelers to join the Arizona Loyal program.

All participants are expected to be in good health, enjoy traveling as a part of a group and be ready to experience cultural differences with grace. All participants must sign the waiver and release form that accompanies the tour sign-up confirmation materials.

GOAL

The goal of the UA Alumni Association’s travel program is to contribute to the personal and intellectual growth and satisfaction of our alumni by offering a unique combination of discovery, adventure and educationally oriented travel opportunities. These tours are designed for those who are eager to expand their cultural and intellectual horizons in the company of fellow alumni, family and friends.

TOUR COSTS

Dates, schedules, program details and prices are presented in good faith based on information available and in force as of Sept. 15, 2020, and are subject to change. Most programs include all ground transportation upon arrival in destination countries; all activities, excursions, accommodations and meals per detailed itinerary; plus guide(s) and a tour manager throughout. Prices outlined in this catalog are based on per person/double occupancy, are preliminary, do not generally include airfares and, again, are subject to change.

Single travelers: Most programs offer a limited number of single rooms, subject to availability and hotel space. Please call for individual-program rates. If you are traveling on a program where sharing accommodations is possible, and you would like to share a twin-bedded room with another single traveler of the same gender, we will work with our tour operator and do our best to match you with a roommate.

RESERVATIONS AND PAYMENTS

A deposit is required with a completed registration form to secure your advance reservation. Deposits vary based on the tour operator and the specific trip. Please refer to the tour operator information on Page 33 as well as the trip you are interested in for the deposit amount. Deposits are conditional, pending your acceptance of the final brochure terms, based on the terms and conditions of our tour operator partner. The balance of the payment is due upon receipt of the final invoice, approximately 90 days prior to departure. To secure reservations on a trip departing within 90 days, payment in full is required. Most tours are booked within two to three weeks of the specific trip-brochure mailing, so be sure to sign up early to ensure a place on your UA alumni trip of choice.

CANCELLATIONS AND REFUNDS

Tour participants are subject to cancellation policies governing the particular trip in which they are enrolled. All cancellations must be made in writing to the University of Arizona Alumni Association. Cancellation refunds will be calculated as of the date the Arizona Alumni Association receives your written request for cancellation. All payments for travel services shall be refunded in accordance with the terms and conditions of each tour operator. There is a minimum administrative fee assessed for each canceled trip.

TRAVEL AND CANCELLATION INSURANCE

We strongly recommend purchasing travel insurance to cover your trip cancellation. All confirmed passengers receive travel insurance information from our contracted partner. For maximum eligibility, insurance must be purchased within 21 days of paying your trip deposit.

AIR TRAVEL

To guarantee the best airfares, our Arizona Alumni Association tour operators have negotiated special rates with major airlines, which sometimes include non-direct flights. We encourage you to contact the tour operator to discuss a land-only option if you desire a more direct flight or want to upgrade your flight or use frequent flyer miles. Important to remember: If you book your own air travel, you are responsible for arranging your transfers to meet up with the main group. We recommend that you discuss flight options with the tour operator well in advance of your departure date.
