How to Use and Maintain a Successful Network

Alumni Career Lab Webinar
May 2020
Tara Besancon

• Graduated from the University of Arizona in 2013 with a B.A. in political science
• Was a member of the women's track and field team.
• Works in commercial real estate, focusing on project management.
• Just recently, she made another career transition within commercial real estate to focus more on interior design.
How To Find Your Network

• Utilize the Arizona alumni community

• Join professional industry-related organizations

• Join a personal interest group – philanthropic, social, community or other!
Building a Professional Network

• Go to as many events (in-person or virtual) as possible

• Find a buddy

• Become a “regular” and join leadership positions
Tips and Advice for New Graduates

• Stay in touch!
  • Whether that be through email or text, be sure to stay relevant and check in.

• You never know where the next opportunity will come from.
Key Takeaways

• Join various organizations that match your interests.

• Stay in touch with your network.

• Keep your eyes open for opportunity.
